Dear Harold,

Sorry to be so long in getting back to you. I have spent the last couple weeks chasing news stories totally unrelated to assassination, politics or the stuff like that. Mine was purely bread & butter features. It was a nice change.

On the ~~xx~~ purported FBI memo. I took it "in the front door" and asked straight out. I enclose a copy of the reply I got. This seemingly confuses me more. It really doesn't answer anything. Or, am I missing something?

I'll call in a couple days for your reaction--save you writing a letter.

Thanks much for all your help. I wish I could do the same.

Cordially,

JDTruby
